*Preparing students for
 a lifetime of success.*

Dear Peoria Academy Families,

I can still remember the first time I walked into Peoria Academy. My son, Jradon, was entering the third grade. We were unhappy with our public school options and seeking a new environment where he could fully flourish, one that would give him the most advantageous opportunities in education and in life. When we saw the small class sizes, met the caring teachers, understood the school's approach to individualized instruction, I knew I had to get my son in this school.

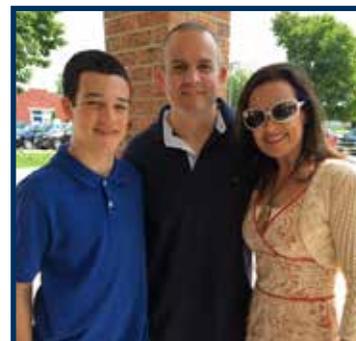

Although Peoria Academy's tuition is less than half the average tuition of independent schools in the midwest, Peoria Academy's tuition was a stretch for our family. While we didn't need financial assistance every year he attended, we are thankful it was there for us in the years when we did.

Like other independent schools, Peoria Academy's tuition covers only about 3/4 of the cost to educate a child. In this way, all Peoria Academy students receive financial assistance from the school's fund raising activities. Without these fund raising activities, the cost of tuition would be out of reach for many of our families.

That's why I'm asking you to please join me in supporting the Peoria Academy Annual Fund. Your donation to the Annual Fund helps close the gap between what you pay in tuition and what it costs to educate your child.

Jradon was enrolled in Peoria Academy from 3rd grade through 8th grade. I know that the strong academic foundation, the self-discipline, and resiliency that he gained from his Peoria Academy experience have prepared him to succeed in high school and beyond. Nothing could be more value to me than that!

Thank you for your support of Peoria Academy. Please take a moment to donate today.

Jen Smith
