

Week 1

Fit Kids - 2nd-5th

Ms. Chapin - Weeks 1&4

Join Ms. Chapin for this moving and grooving class for kids! We will be learning different ways to keep our bodies active through crossfit, Zumba, yoga, and more. We will play different sports and have time for nutritious snacks teaching students about the importance of overall health!

Playing in the Mud: Pottery & Ceramics -2nd-5th

Mrs. Watkins – Week 1

Come roll up your sleeves and play in the mud. This is an introductory pottery class that will focus on creativity and explore all the possibilities of clay. We will experiment with a variety of building techniques and explore shapes and forms. We will learn the basics of hand building, create a pinch pot, work with slabs, coiling, sculpting and of course have a go at the potters' wheel. We will learn how to create a mug, bowl and anything else our creative minds take us! We will also learn about the kiln, glazing and firing. You will need to bring/wear clothes that can get dirty along with and an old towel

Fun in the Sun – JK

Mrs. Schott – Week 1

Catch a wave and join Mrs. Schott for some under the sea stories, games, crafts, and more!

Bulldog Gymnastics/Fitness - JK-4th

Ms. Sanford – Week 1

Come and learn the basics of tumbling! Bulldog Gymnastics is a progression-based class where skills are broken down into small steps to ensure easy, skill building success. Gymnastics is great for building self-esteem, strong bones, and a healthy heart. Students will receive a Gymnastics certificate at the end of the session. We will also learn the importance of cardio, strength and flexibility exercises

Life's a Beach - K

Mrs. Burling – Week 1

Join us as we bring the beach party to you! Crafts, beach ball games, music, stories and loads of fun!

Tech Camp - 5th

Ms. Orris – Weeks 1&2

Log into Middle School a little early! Tech Camp provides incoming 5th graders the opportunity to master all of the skills necessary to succeed in middle school – EARLY! Logging into email, creating a Google Doc, maneuvering Microsoft programs, fun & education websites, YouTube, keyboarding.....too much to type! Did I mention keyboarding?!? Computers available if you do not have one yet! Sign up today because time is ticking for tech!

Week 2

Basketball - K-5th

Mr. Kissell - Week 2

Our basketball camp is aimed at teaching about the game of basketball including the rules and regulations as well as tips and techniques that will improve the skills of your kids. Here kids will learn how to dribble, pass, shoot, and the importance of sportsmanship. But the most important aspect of this camp is to have FUN! Kids will learn how much fun basketball can be.

Frozen Camp - JK-2nd

Mrs. Draney – Week 2

Do you want to build a snowman? Come on, let's go and play! Come spend the week playing games, making crafts and fun snacks that go along with the movie.

Jedi Training Camp - JK-3rd

Ms. Sanford – Week 2

Calling all Star Wars fans for a week of Jedi training with Jedi Master Sanford! Complete a week of Jedi training and you'll celebrate your completion with a ceremony at the final class. You'll make a light saber, mask, and learn some Star Wars Yoga Poses, and even practice with your own light saber to complete your Jedi training. Each Jedi will receive their own robe at the introduction ceremony the first day!

May the Force be with you!

Nursery Rhymes - JK

Mrs. Schott – Week 2

Nursery Rhymes aren't just for bedtime! Join Mrs. Schott for crafts, games, and more centered around our favorite nursery rhymes!

Tech Camp - 5th

Ms. Orris – Weeks 1&2

Log into Middle School a little early! Tech Camp provides incoming 5th graders the opportunity to master all of the skills necessary to succeed in middle school – EARLY! Logging into email, creating a Google Doc, maneuvering Microsoft programs, fun & education websites, YouTube, keyboarding.....too much to type! Did I mention keyboarding?!? Computers available if you do not have one yet! Sign up today because time is ticking for tech!

Bugs, Bugs, Bugs! - JK-K

Mrs. Burling – Week 2

We will learn about bugs through hands on activities, books, songs, and games and observation.

Week 3

Soccer - K-5th

Mr. Kissell - Week 3

At our Soccer Camp kids will learn the basics of soccer, the rules behind soccer, and most importantly sportsmanship. During the camp, I will focus on building the kids skills and improving their confidence

Circus Extravaganza - JK

Mrs. Schott – Week 3

Welcome to the Big Top! It's all about the circus with our crafts, games, and more!

Bulldog Cheer & Dance - JK-4th

Ms. Sanford – Week 3
